

The Millennium Project
Global Futures Studies & Research

Pakistan Node

Chair: Puruesh Chaudhary

Co-Chair: Shahid Mahmud

The Millennium Project
Global Futures Studies & Research

Platform

Foresight Lab – Improving “Well-being” (in-house team studying the Danish model)

Hosts the Realtime Delphi Module

An addition: Classifying the Variables into STEEP
...18 universities, 4 think tanks: linking them to
30 variables

www.foresightlab.pk

Pakistan State of Future Index

The Millennium Project
Global Futures Studies & Research

Experience with Data and Sources?

-Requirement: Training the Experts

For Pakistan Node a MOOCs on RTD is extremely important.

Annual Conference

ESPAS: Global Trends to 2030 - The Making of New Geopolitical Order

(European Political Strategy Centre, European Commission's In-house think tank)

The Millennium Project
Global Futures Studies & Research

Quick Review on PK-SOFI

2017 - This is a **Pakistan-centric** Study

Since we began more than **300** individuals have been engaged in the process

PKSOFI indicates the *state* is improving in the next **10 years...**

Fingers crossed: **second edition** will be open to the wider community

Future of Work

The Millennium Project
Global Futures Studies & Research

- SU Islamabad Hub; organize workshops on Future of Work? ← Millennium Project
 - SingularityU Pakistan Summit 2019
- this is where we plug in PK-SOFI, Future of Work

Why this?

*National **Technology** Fund, is a strategic partner and has signed up with AGAHI on a National Strategy Paper on Future of Work.*

Asia Futures Network

The Millennium Project
Global Futures Studies & Research

- Cooperation on Asia Futures Network –
output: **Asia State of Future Index**
 - EF has a South Asia Focused Initiative
- Currently, the Programme has 1600 fellows; two fellows from Pakistan, one from China and another from India are part of the advisory council.
- Allocate Fund for the Network
